

## **INTERRUPTION OF TELEPHONE SERVICE ON FRIDAY, OCTOBER 10, 2008**

On Friday, October 10, 2008, we will be relocating our Loan Department to 2247 West Lawrence Avenue and upgrading our telephone system as well.

As a result, telephone service will be interrupted on this date and private lines and telefax numbers to our Loan Department at 2255 West Lawrence and main bank building at 2300 West Lawrence will not be functional for part or possibly the entire business day.

We will work diligently to re-activate our main banking number--(773) 907-8100--as quickly as possible, but during this process you can telephone us at (773) 769-2594 or dial our Mt. Prospect office at (847) 398-6100 and we will promptly relay messages to bank staff members in the Loan Department and main bank building as quickly as possible.

We regret any inconvenience you may experience and appreciate your patience and understanding during this move and telephone upgrade.
